Dear Sir William

I received the box of fossils which you spoke of in your letter to me of June 20th and have placed the specimens with those already in my possession. I have also received a complete set of the Royal Society Transactions - and as it is due to your kind

intercession, that I re-
ceived the volumes -
I take this opportunity
of thanking you and of
telling you how much
I appreciate the gift -

With kind regards -

Very sincerely yours

Lawrence M. Lamb.
