S. P. LANGLEY, Secretary
G. BROWN GOODE, Assistant Secretary,
in charge of U. S. National Museum

Washington, July 15, 1890.

Sir J. William Dawson,
Peter Redpath Museum,
McGill College,
Montreal, Canada.

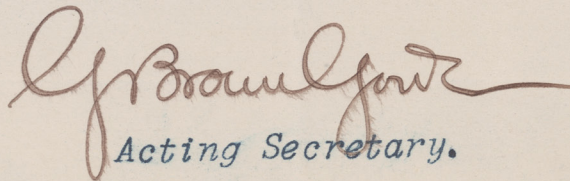

Dear Sir:

The specimens of Ptychoparia metisensis
and Agraulos redpathi (two casts), transmitted
through your courtesy to the U. S. National Museum,
have been received.

I desire to express the thanks of the Museum
to you for this contribution to the collection of
paleozoic fossils.

I enclose a formal acknowledgment addressed
to the Peter Redpath Museum.

Yours very truly,

Acting Secretary.
