Sir J. Wm Dawson

Dear Sir,

Your letter of the
23rd and the very valuable
letter of testimonial enclosed
reached me to-day.

I thank you very much for so
promptly acceding to my re-
quest & also for your kind-
ness in replying to the com-
munication of the Boston
Agency, on my behalf. I am
sorry to trouble you so much
in the matter.

The very favorable terms in

which you have been pleased
to speak of my work are
indeed most encouraging.

I trust I may never fall short
of the standard thus set before
me, but that I may be able
in some measure, at least,
to attain to the high & noble
ideal M^{rs} Gill has always
set before her students.

Again thanking you for your
kindness,

I remain

Yours very respectfully

Donaldia M^{rs} G.
