Kingston Sept 15. 1890

Sir Wm Dawson B.L.D.

My dear Sir

The young Men's Christian Association of this City are exceedingly anxious that you should take part in their annual meeting to be held soon, and in this, I need not assure you the people of Kingston are of one desire.

May I then express the hope, that if it is among the possibilities, you will accede to their request and pay the old Democratic City a visit

I am dear Sir

Yours truly

Samuel W. Jackson
