Sir J. N. Dawson,

Kind and Dear Sir,

I write to ask you, if you can let me know now, if you will require my services for the ensuing season in connection with Pleistocene Fossils and P.C. plants.

The reason of my haste is this; I have been offered a position in Hornsburg Collegiate Institute. Its acceptance or rejection hinges on your answer. If I can secure some work from you during the Winter I will continue my medical work. If not

I shall accept the other alternative.

I will return to the City about the  
11<sup>th</sup> of October. An early reply to the  
above address will greatly oblige me.

Sincerely yours

W. E. Weeks
