OFFICE OF THE QUEEN'S PRINTER AND CONTROLLER OF STATIONERY,

Ottawa, Sept 10 1892

Dear Sir William

I return the copy and am satisfied with the page as it is.

Enclosed is a letter with signed proof for witnesses. Please read it and look over the proof and forward the letter & proofs as addressed.

This evening I will return the proofs of Chap II so that on Monday the work can go on fast.

The frontispieces and page cuts I have kept for a while. They will all be printed ~~to go~~ together and inset as the vols are bound.
