Sir William Dawson
My Dear Sir

I was very sorry
indeed to hear that you
were so ill. I had
concluded from the
newspapers account
that you were so very
much better but I
durst not say that you
would be fully restored
to health.

As I am about to make
a change in my stopping

place in Toronto
I would kindly ask you
to address my letters,
Go Belden Brr.

#126 Bay Street.

Toronto,

Yours Very Truly
Gildred Peel
