Dear Sir,

As the American Folk Lore Society is to hold its general Convention here, in Montreal this fall and the Branch at Montreal act as hosts, Professor Penhallow, our President thought it probable that McGill would kindly loan us the ²Mason Hall in which to hold our Meetings. The date of the meeting is probably September 13th. 1893 and will continue for two days, if you would kindly grant our request we would feel under great obligations to you

Yours very truly

American Folk Lore Society,

F. E. Came.
