Wednesday morning

Dear Sir William

Permit me to express
my very sincere thanks for
the very handsome Edition of
your work, 'Modern Science in Bible
Lands'. - Allow me also to say
how very highly I shall prize it,
not only for its own intrinsic
interest, which to me is great,
but as being the work of one
whom I have in a very special

way, always regarded as my
teacher; and as carrying me
back, with very pleasant
memory, to the very interesting
hours in the Saturday evenings
spent at your house during
my student days.

I trust the greater rest you
are about to take, may lead to
much improvement of your
strength - but believe me, I
can no greater pleasure, than
placing any service I may

be able to render Lady Dawson
or yourself always at your
Command.-

I shall always feel that the
indebtedness I remain on my side

Yours sincerely & gratefully

A. M. M. M. M.
