My dear Sir

I have just learned that Fisher  
in his new work, handsomely  
acknowledges you and Mrs Pentlands  
good work in regard to Pasta.  
The particulars I may learn of his  
beginning of next week when I  
hope to forward some Sp. of Talaromyces.

I think Fisher's acknowledgment gives  
me more pleasure on your account  
than any now. Trusting this finds  
you well.

Yours very sincerely

W. S. P. (written)

As I have written the enclosed I  
have received your favour of the  
16th inst. for which I am very much  
indebted. If these pencils you see true  
kindly pay as need to the return  
specimens I wrote about. - They will  
be in my good time next season.

As to those on hand they you will  
not trouble with them, till you  
find yourself quite able to attack  
them, there is no reason whatever  
why they should not wait. I  
sincerely trust you may soon find  
yourself stronger with best wishes

Yours truly

Jas. Keir.
