20 DE BRESOLES STREET,

Montreal, Dec 4th 1893

Sir W Dawson,

Dear Sir

Your favour of Saturday
is to hand. In reply I would
say, that the bound copies
of: The Ice Age; will not be
ready for a few days; but I
will see that the free copies
are sent you as soon as they
are published.

With reference to the Publishers
for England and the United
States. I thought that this
matter was settled with Dr
Rochwell of the Scientific
Publishing Co., but it appears
that I am handed over to
a business manager; whose
conditions I cannot comply
with - I think however

that we will come to an
agreement in a few days
When I can say positively
that they will publish the
book

Could I ask you to forward
me with a list of names of
biographers or magazines to
whom you are sending copies
for review; do we may not
both send copies to the same
parties

Yours truly,
J. Dawson
