

Cambridge Jan. 4th 1894

My dear Mr. Williams:

I was very sorry
to miss your visit: to the distance of my
household due to influenza I must beg
you to charge my greetings to all on
you. I am glad to say that the influenza
which has passed from us

I will give Mr. Shaler and myself
great pleasure if you and your wife will
lunch with us on either Monday or
Tuesday next, at half past one. This
will perhaps give us time to see some
things in the school before it is dark.

Sincerely yours

W. S. Shaler
