

4 Enclosures London, ^{Belinfante} January, 4th
1894

GEOLOGICAL SOCIETY,

BURLINGTON HOUSE, W.

Dear Sir

I beg to enclose receipts for your Journal subscription for 1894, Dr G. M. Dawson's contribution for the same year, and Dr B. J. Harrington's subscription for 1893.

As you state your present intention of dropping your connexion with the Society of Biblical Archaeology, I felt bound to conclude that the cheque which I found in your letter, but to which you make no allusion, was not meant for Mr Le Page Renouf of that Society, and that it had been put into the envelope by mistake. Please therefore find the cheque

herewith. Your note on Naiadites
with Dr. Hind's appendix will
very likely be read on January
24th. I shall ask him to send
in specimens and a scheme
for a plate.

Believe me, dear Sir,

Yours very faithfully

L. Belinfante
