My dear Sir William

Hear this note in case I
do not have the pleasure of seeing
you to ask what day it would
be convenient for you to come
to Cambridge. I would greatly
like my friends to show you
what has been accomplished
at the Museum the past 20
years. Any day this week
you may name except
Thursday will suit me.
I would suggest if it be con-
venient to you to come out say
about 12 o'clock, and that will

from me for light and strength in mind
after your visit to me the former of Cambridge
with us
