Dear Sir William,

Yours of the 25th ult. is to hand & on Friday Evening last your Manuscript was submitted to the Copyright Committee & they recommended it for publication subject to your being willing to revise it verbally in a few places.

I think perhaps the best plan will be for us to have the book set up in slip, & you will see from the Ind. what the suggested modifications are. They are all mainly verbal. In any case we shall not be able to publish the book till the early Autumn, but it will be well to get it through

the press as soon as possible.

With very kind regards

Yours sincerely

Richard Lovett
