Dear Sir Wm

I come to you this morn.^g with a petition. May I ask your good offices with Sir Donald Smith in favour of my boy, a lad of 16 years, who is just leaving school, and for whom I would like to get a place in the Canadian Pacific R.R. office here. He has a good English education, especially in the mathematical and commercial branches, and has been learning short-hand. He is intelligent, ready and industrious, and should make a useful clerk.

I shall be anxious to hear the result of the elections for Sect. IV. Royal Society. I fear some of our Ottawa friends have wavered or worse, but Hay will have a strong vote ⁱⁿ any case.

Hoping you are well, and with best respects to Lady Dawson

Yours sincerely

G. F. Matthews.
