Dear Sir William

The enclosed papers with, I am  
sure interest you. The experiences I have had  
in Church building, and removing Church  
debts has I trust proved instructive and  
profitable to me. The Churches here are most  
often burdened with huge debts - and I am  
sure this is not honouring to the Lord. My little  
Congregation are heartily and prayerfully with  
me in this matter, and we quite believe that  
the Lord will honour us with success just in  
so far as we seek to honour Him both in  
Motive and method. May I ask that you and  
Lady Dawson would give our effort a place  
in your prayers, and if the Lord lays it on  
your hearts, as I have been asking He would,  
you maybe led to aid us in such degree  
as you are able.

Yours faithfully  
James M. Caub
