As I have been detained  
on my duty in Lowell for  
the past 2 months I have  
only now received yours of  
28<sup>th</sup> ult & hasten to say  
that I will comply with  
your request some time next  
week. Will it be as con-  
venient to you if I spend  
the day before the N. S. meeting  
at Montreal, as the day after?  
It may be easier for me to  
give the time then
