Sir J. William Dawson, F.R.S., L.L.D.

Dear Sir

A few days ago I sent on to you a copy of "Ahuas Et Inednich", the Eleventh Memoir of The Egyptian Explorator Fund. I used to be a subscriber to the Fund but ceased to be, a year ago. I suppose the proper parties in England had not been informed of my ceasing to be a subscriber & sent the above mentioned annual memoir to me.

On receiving it I notified Dr. W. C. Winslow of Boston, requesting instructions as to the disposal of it. After some little delay I got a letter from Miss Mary B. Conyns, the Secretary, desiring me to send it on to you. Thinking

that you might be at a loss to understand
how it came to reach you as it did,
I have thought it well to write you
these few lines.

You may possibly remember ^{me}
being at Bible Readings at your
house some 26 or 27 years ago when
I was quartered at Montreal - being
then in the Army. Most likely
Lady Dawson will - if you do not.
Will you be good enough to remember
me very kindly to the latter & tell
her that I am sending her "The ^{Review}
Banner" for the current year, the editing
of which has fallen into my hands, hoping
that she may find something ^{profitable}
therein.

I remain
Dear Sir

Yours sincerely
Alfred Triffle
