My dear Sir William

Although a member of the Committee which has the matter of the invitation to the British Association in hand here I have not hitherto had time to attend the meetings; but on the return of the other members to town I will

lay your letter before them.

The undertaking I feel
is a very large one for
Tante & we shall be
glad to have all the
advice & assistance which
you & other friends in
Montreal can give us.

Yours faithfully

Sr William Dawson
