

Huntingdon

25th Sep. 1894.

Sir William Dawson.

Dear Sir,

Allow me to thank you for the interest you have kindly taken in the success of my son James Albert M. Egan.

I see that he has not been successful in obtaining an exhibition. And while we are well pleased to see that the other boys from Huntingdon have been successful, we are sorry for him, but we hope that he has shown sufficient merit to commend him for a few tuition. Anyway, we are very grateful for the kind encouragement received from Sir William.

Yours with respect
James M. Egan
