27. Paternoster Row.

London Oct 7th 1894

(Do) Dear Sir William Dawson

E.C.

I sent Dr. Nicoll your letter addressed to me, & in reply, he sent me the enclosed lines, one word of which I cannot catch, so send you that part of his letter referring to you. I quite agree with him as to the general favor with which your papers have been received - to which the enclosed cuttings testify.

I send you by mail an account of my business Jubilee Recollections which you may like to see

Very Sincerely Yours

M. H. Hodder
Sir J. W. Dawson F. R. S. &c
