Physiological Laboratory,  
McGill University,  
Montreal.

Oct. 23<sup>rd</sup> - 1894,

Dear Sir Wm.

Many thanks  
for your letter with  
promise of papers  
for Monday next for  
the Nat. Hist. Soc.

A programme for  
the whole year  
has now been

arranged and  
will be printed  
shortly. About \$250  
dollars have been  
secured as subscribers  
to maintain the  
"Record" - so that  
upon the whole  
the year opens  
hopefully.  
Trusting that you

are enjoying good  
health.

I remain,

Yours very truly,

Wesley Mills.

P.S. Dr Adams has  
consented to show  
a few specimens  
and make some  
remarks so that the  
first evening will  
be a geological  
one so to speak.

W. M.
