

Montreal Dec 5th 1894

Dear Sir William,

Yesterday I got the tickets for the Connells (4) and gave them to the Father and made him happy by also handing him \$11⁰⁰, which we got through one of the Charitable Societies by way of discount from the Ellens. No discount off Rail way fares. They intend leaving by the G. J. R. at 10 tonight.

The Money Collected was \$67⁰⁰ by $3\frac{1}{2}$ fares, Ocean, @ \$19. Each and one half fare 9⁵⁰.

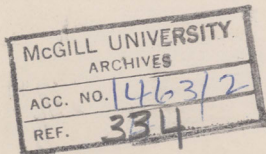

Again thanking you for your

Murphy
assistance in the matter

I am yours

Very truly,

Edw Murphy
