SYRIAN PROTESTANT COLLEGE,

BEIRUT, SYRIA.

Dec 28<sup>th</sup> 1894

Sir J. <sup>Wm</sup> Dawson LL.D. F.R.S. &c.

Dear Sir, William,

I was much  
pleased to be remembered  
by you in your presenting  
me with a copy of "The  
Meeting-Place of Geology  
and History" - I have  
read the book with deep  
interest, and find it very  
useful - Real science,  
history & religion must  
have a meeting-place in  
truth - It is a hopeful  
sign of the times to  
see so many men

Thinking after the fact-

We remember your  
visit with grateful pleas-  
ure.

Our College was never  
so prosperous - We  
have in all departments  
over two hundred & sixty  
Students - Nine are in  
Medicine, 14 gave a  
or more courses - There  
are seventy one in  
the Medical Department.

Please remember me  
very kindly to your  
family

Yours truly  
with great respect -  
Daniel Bliss
