

18th Jan / 95

My dear Sir William Dawson

I delayed answering
your kind letter of 14 Dec till
after the arrival of my son, who is
much rejoicing in the fulness of
information you give -

He has just completed an
architectural design that leaves
this week for Cairo; for on the
12th of March the competition
for a museum building is
closed - we leave next week

for Cuba, Japan & Mexico

and should our Lord tarry
& permit and we pass thro
Montreal in April or
May we shall hope to
have the pleasure of seeing you
once more -

Our kin love to Lady Duver
& household

Yours sincerely
Harrison Turner

P.S. It will be a time of universal
joy when Egypt stretcheth forth her
hands unto God
