S. W. J. Dawson Esq^{re}
City

Dear Sir,

I received your card to day, and thank you very much for interest taken in our work. I shall be pleased if you can arrange to give me a few minutes interview at any time most convenient to yourself when I shall be glad to lay out our proposals for the "Prison Gate" in this City before you. If convenient send answer by beaver - if not a Post card will find me the above address.

Respectfully Yours
Angus Gillan
