

Dental College of the Province of Quebec,

Montreal, April 5 1895

Dear Sir William

I am more reluctant
to ask you to remember me
if you hear of any employment
that I could fit myself for.

I have free quarters at the
College for the Summer -

I have been getting up
shorthand during the evening &
think I now only need some polishing
to be fairly good at it.

I have had also been able to
put up in a fair amount of reading
towards an end which I
can hardly hope to attain to
for a year to come.

My tuition work ends with
the Dental Manipulation

are a few light engagements
in this line to continue through
the summer.

I am, Dear Sir William
Yours sincerely,
