

To Det Smith

1157 Dorchester Street,

Montreal.

102 June

~~3rd May~~

1895

Dear Mr. Main,

Pray excuse me for
having delayed so long in
reply to your note of the
23rd, but I have been so
much out of town and while
here so busy that it is only
now I am able to acknowledge
it. I greet you hardy

Came to Amberham part of
the income from Mr. Donaldson
donation, from ^{direct} Mr. Simpson, for
which it was intended, but
I am very much obliged to
you for bringing to my
notice the matter, & application
for the lectures in Zoology,
and it gives me great pleasure
to have you here, & to my
Chelmsford 1667, of this
date to your own order

for one hundred dollars
as a contribution for
that purpose.

Now that Principal Pelissier
has been decided on as our
coming Principal we hear
of our opinions of him from
those who ought to know him
best and I think we have cause
for believing that he will do
no discredit to his present
position which has heretofore

been administered with
such signal ability and
success.

Believe me
Sincerely yours
Donald Smith
