MONTREAL,

Sir Wm Dawson  
Dear Sir

We have been very much  
disappointed this month by  
the non payment of some  
substantial amounts, and  
as our account is with the  
La Banque du Peuple we have  
been obliged to retire some  
discounts which makes us  
a little short at the present  
time at the earliest possible  
moment I shall see that the  
amount of Hodder Stoughton's  
order is sent you, Regretting  
delay  
Yours faithfully  
W Drysdale
