Montreal, Aug -

Dear Sir

We believe it is your intention to
publish your Lowell Lectures on
"The Beginnings of Life" and we would
be very pleased to issue this book
for you in the United States & Canada.

If you intend to publish this work
in England, as you did "Geology & History",
through the Religious Tract Socy, we
will make the usual arrangements
with them as we are their Agents.

We mail you today a copy of our edition
of "The Historical Reliquia" just issued
from a set of plates supplied us by R. S.

Awaiting your kind reply -

Very sincerely,
Fleming H. Revell Company
