

Stanley St. Presbyterian Church.

REV. F. M. DEWEY, M.A., Pastor,

16 STANLEY STREET.

Montreal, July 22nd 1895

Dear Sir Wm Dawson,

I am very thankful that you are willing to assist in the series of meetings we propose to hold this autumn for the deepening of spiritual life. We will gladly suit your convenience as to the time. I think Oct. 21st - 25th would suit very well. The subjects I have thought of are (a) The Holy Ghost, a Divine Person, (b) The threefold Conviction of the H. G., (c) The H. G. the Author and Interpreter of the Scriptures, (d) Sanctification through the H. G. (e) The H. G. in the worship and work of the Church. Changes will doubtless be made but this indicates the line of study which I think it will be most profitable to pursue. I trust you may be able to give two or more addresses upon these or kindred subjects.

We had our babe baptized yesterday and took the liberty of calling him John William Dawson. I feel that I should have consulted you before doing so, but we were somewhat hurried as we leave to-morrow for Cap à l'Aigle. We will strive to have him do nothing to dishonour a name so distinguished.

I remain, yours sincerely
F. M. Dewey
