TELEGRAPHIC ADDRESS,
EXPOSITOR LONDON.

London, 20 Sep 1895

My dear Mr ^{E.C.} William Dawson

Thank you very much for
your favor of Sep 5. I think
your title a splendid one, &
send you "a pull" of it at once.
I shall be on the look out for
the ms and will put it to press
immediately. I consider the papers
in the "Expositor" as they appeared
were very welcome.

There is no hurry about "Fossil
Men" as we have sufficient to work
as for some time.

I am glad to
hear your change at Metz has
been profitable to you & Lady
Dawson. With kind regards

Yours Sincerely

Sir W Dawson J.R.D &c
