Sir J. W. Dawson.

Dear Sir,

Your Postal of Wednesday
last just to hand.

I regret I did not see
you before you left Mee-
bee as I had a few very
interesting Graptolites
and other fossils from
the Lewis rocks to show you.
I shall be glad to hear
from you, and if I can
in any way assist you,
I shall be very glad.

We leave for Ottawa
tomorrow Wednesday.

Yours very truly
