

GEOLOGICAL SURVEY OF CANADA,  
George M. Dawson, C.M.G., LL.D., F.R.S.,

DEPUTY HEAD AND DIRECTOR,

MUSEUM AND OFFICES SUSSEX STREET, OTTAWA.

Nov 23 ..... 1895

Dear Sir William

As you are doubtless aware Dr Chapman has resigned the position of Professor of Zoology in the University of Toronto, and the Minister of Education for Ontario informs me that his successor will soon be appointed.

Two years ago you very kindly offered to assist me in obtaining the appointment, and I now take the liberty of asking you for a testimonial addressed to the Honorable G. W. Ross, Minister of Education, Toronto. I have now been working on the Geological Survey for more than fourteen years. A list of my geological papers is enclosed.

Trusting that you will be able to grant me this favour

I remain

Yours very sincerely

J. B. Tyrrell.
