

1157 Dorchester Street,
Montreal. 11th Decr 1895

Dear Sir William,

For your letter of the
9th and its enclosures and
your note of the 9th and
further notes of the 10th and
11th please accept my best
thanks.

The memorandum
regarding the College for
Women and sketches attached
to it will have careful
consideration as soon as

I am able to give them attention and when I am more fit for business, which I trust will be within a week of this date I hope you will kindly give me an opportunity of discussing the matter more fully with you.

It had already been mentioned to me by a real estate agent that the house, the corner of University and Sherbrooke Streets, at present occupied by Mr. Macmaster was in an unsafe condition

and that Mr Macmaster
had either left or was about
to leave it, to which I
replied that I had already
acquired all the ground I
desired in connection with
the Buntin property -

Many thanks, however,
for bringing this to my notice.

With kind regards,

Sincerely yours,

Wm. B. Smith

Sir William Dawson, C.M.G. &c.
