

FIELD COLUMBIAN MUSEUM.
CHICAGO.

Jan 25th, 1896.

Sir. J. Wm. Dawson,

My Dear Sir:

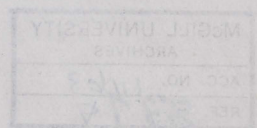

I have the pleasure of sending you today a copy of the first number of my Mexican studies. It is also the first number of the Anthropologic series of the Museum publications. This series is to be paged and issued independently of the other Museum publications and will thus be convenient for binding and use by Anthropologists. The papers will at the first be largely archeological, but it is planned that in time the series shall cover the entire field of Anthropology.

I have placed your name on the permanent list, so that all future numbers will be sent you.

Very sincerely yours,

W. H. Holmes

Curator.
