My dear Sir William

Allow me to thank you very cordially for your kindness in sending me a copy of your "Eden lost & won". I can assure you I appreciate your gift very highly and value it much.

When William was here he was kind enough to let me read one of your papers in the "Spreitor" and I am now more than glad to have in this book all you have written on so important and deeply interesting line of thought, over which I hope to follow your guidance shortly & I am confident, with increasing light and much profit.

I am glad to learn from your last favor to me that Lady Darwin's

health and your own has been
fairly good this winter. and I
sincerely trust - notwithstanding your
reference to the future. that many
years of continued helpfulness from
your store of knowledge & experience
to benefit mankind. lie yet before
you.

With our kindest
remembrances to Lady Dawson
& yourself. I am.

Dear Sir William
Yours faithfully

Howard Pringle
