Dear Sir William,

I send you a few notices of
"Eden Lost & Won". Of course it is
fashionable to oppose Conservative
teaching and I am afraid we
cannot anticipate a large sale,
but the book will ^{be} greatly valued
by many. We are sending a set
of plates to Fleming H Revell Comp^y,
as Harper Bros declined the book,
we have sold ^{a small} ~~some~~ edition to Revell
Toronto House. You may have already
seen some of the Canadian Edition.
I expect W. Robertson of the Toronto
House will send some to New York
to be sold there until the U. States
Ed. shall be ready.

Yours very sincerely,

Sir William Dawson & Co. W. H. Hodder
