My dear Sir William

I want to thank  
you for your very kind  
present of "Eden Lost" & "Woe"  
which I appreciate  
very highly as coming  
from yourself & which  
I look forward with  
much delight to perusing

It recalls to me  
a remembrance of

happy College days in  
Edinbro - when Aleck  
Primrose lived with  
me . - We used to  
buy works of yours  
from time to time  
and spend half an  
hour each evening  
reading them aloud  
to each other before  
we settled down for  
the evening's study

With very kindest  
regards

To Lady Hanson of Norwich.

Dear Sir
