Dear Sir William

Your subscrip-
tion of \$5.00 to the E. E. Fund
is duly at hand and I shall have
much pleasure in forwarding
it to the Secy in London.

I have sent out all the printed
matter which has been furnished
to me, and will have some

interested Enquiries have been
evoked - no Subscriptions have
been sent in. I wrote to
Miss Paterson the Sec'y, a short
time ago asking for an expla-
nation of the trouble with
Dr Winslow & when I receive
her reply I will send it to
you to read. At the same
time I again intended my

desire to be relieved of my position,
with the hope that some one else would
be more efficient and successful.

I have made many personal appeals
to persons who should be interested but
upon various pleas have been put off.

The last \$5. which I got from Sir Donald
was something like drawing teeth.

Hon. G. A. Drummond while expressing
great interest and having personal
knowledge of the good work done by
the Fund - said he could not spare
the money. I have asked for more
Reports and Circulars and when they come
to hand perhaps you would be good enough
to make me out a list of names of
persons likely to be interested —

Sincerely yours

Sir J. W. Dawson
