Sir J. William Dawson,
McGill University, Montreal, Ca.

Honorable Sir:-

It was my
good fortune to visit your wonderfully
complete Museum last fall and became
greatly interested in it. I remember as we
came to the top of the stairs on the right
was a quotation from one of the Psalms which
I thought exceedingly appropriate. I have
endeavored several times to recall it but
am unable to. Would you be so
kind as to give me the reference?

I am much interested in geology, Zoology,
biology & anthropology. What are your
courses in these subjects? Are your
"Lowell Institute" lectures yet pub. in book
form? How grateful geologists should be that
God's divine spirit spared dear Prof. James D. Dana to
complete his Manual.

Believe me, I am,

most sincerely yours

Levey H. Wheatley.
