Dear & Hon<sup>d</sup> Sir,

Years ago I attended your Bible Class in Eskine Church & thought lately you perhaps would take the time to look over a little book "The Coming King" & send me a word of recommendation in regard to it. There are so many who oppose the "second coming" in the form presented here, that a word from you might induce some to read it, at least, & have the truth of the personal coming of the Lord, as near at hand, presented to them.

Yours till He comes,

John Bell
