Dear Sir William

Your letter has reached me here - & I have heard from home that a lot of fossils has reached me from Ottawa, which I presume contains your fossils - I will probably be home in a day or two & when I have examined them, will write to you

more fully -

I cannot give up the
idea of your visiting me
at Struthel - There are many
things I would like to show
you, which, even were I
going to England to see
you, I could not carry
with me - After coming
so far as Holyhead, it is
a short run to Struthel -
so I hope that then you
will be able to visit me
if you cannot get a more
convenient opportunity

Please write to Struthel in
future - With kindest regards
Yours
J. M. W. M.
