June 30/96.

Dear Sir William Dawson,

The Egyptian Exhibition
in the rooms of the Society of Antiquaries
does not include any of Petrie's things,
but is an exhibition of the objects found
by the Egypt Exploration Fund during the
past winter. It is to be opened tomorrow
(Wednesday) by a lecture at 4 P. M.
by Mr. Hogarth on the papyri.

I still hope that you may be
able to come to it, as I am sorry
to say that on Thursday I am

enjoyed both L lunch & to dinner,
& it will be very provoking to think
that we should have been so near
to one another & yet have not
been able to meet.

With kind regards,

Yours sincerely
A. H. Sayce.
