to what extent

and ~~leave~~ to the Board the
consideration of the question
~~whether~~ in the interests of the
University such resignation may
require changes in its ^{status} staff
of instructors, or their ^{salaries}.

With these explanations I leave
the matter in the hands of the Board,
and shall be content with any decision
it may arrive at; but I think it right
to say that if these agitations among
students are continued I cannot be
responsible for the results. Already
I have suffered much anxiety and
been subjected to much unnecessary
trouble and loss of time and they
might at any time ~~culminate~~ ^{lead to} in
serious difficulties ^{of discipline} injurious to the
work of the University.

Letter refused, & states
that send papers as
requested by Board -
That make no account
against Dr. M. but that
Crompton will grant that
Board may have all
information in referring to
his letter. That I hold
my action in matters con-
cerned of was what
appeared & was necessary -
Context of the names
and had no spirit of
July & Dr. M. That does
the paper at the time
that have no complaint
& make against Dr. M. as
he may have acted in his
interests of chief just as usual

as I, that shall
be glad of the thing
you make any
arrangement satisfactory
from you expect us
to still remain of the
mass and may be
wiped out while I
have been there
stem of hand of God.
