ARCHIVES  
ACC. NO. 909A/12  
REF. 4

Memo. on some articles of my  
private property now in the Peter Redpath  
Museum Building. (Mr Ardley can point out  
these things)

Private collection of minerals & Cabinet containing  
them (at foot of stairs, in basement) W.B.D. Catalogued  
this collection & may ultimately keep it or dispose of  
it as he thinks best.

Case of Stuffed Birds in Board Room. - Dr Harrington  
may take care of these in case Conrad may be  
able to use them to advantage later.

Private Scientific books in Board Room, also  
extra copies of my Scientific papers. These may  
be dealt with by G.M.D.

Private papers of my  
father kept now in the  
Museum building. (The  
things)

Private collection of minerals & cabinet  
from (at Fort St. John, in  
the collection & may ultimately  
it as to think it.

Private papers  
in Museum

Case of Shaffer's in  
may the case of the  
after some time to

Private scientific notes in  
other copies of my scientific  
to be sent out by P.M.
