CHAPTER XI.

General University Meetings and other Meetings in University Buildings.

I.—In the case of all General Meetings appointed by the University, the Principal, or in his absence, the Vice-Principal, shall have power to make such arrangements and to secure such assistance as he may deem necessary for the preservation of order, subject to the approval of the Governors as to any expense that may be involved.

II.—The Principal may, if necessary, call upon the Deans of the several Faculties, or in their absence any of the Professors of such Faculties, to co-operate with him in the preservation of order.

III.—In case of any disorder at such meetings the Principal and the Deans of the Faculties shall form a court of inquiry to ascertain the offenders ; and they may either remit the dealing with such offenders to the Faculties to which they belong, or may report to the Corporation.

IV.—The use of any Building or room of the University shall not be granted by the Principal or Faculties to Societies not consisting wholly of members of the University, or to persons not being members of the University, or for purposes not connected with the objects of the University, except by special vote of the Corporation.

V.—In case of the use of any room or building being desired for any special meeting or for the regular Meetings of any University Society, the application shall be made in writing to the Principal and to the Dean of the Faculty ordinarily using or having charge of the room or building, and shall be signed by at least three members of the University who shall be held responsible for the character and order of such meeting or meetings, and shall make such provisions as may be required by the Principal or the Faculty, in the interest of the University, for the character and order of such meeting or meetings, for the conduct of visitors admitted thereto, and for the expenses involved.

APPENDIX.

COLLEGE GROUNDS.

Under the regulations of the Governors, restricting the use of the exercise grounds to College clubs, and until permanent arrangements can be made in connection with a new gymnasium on the grounds, the following rules are in force:—

1. The membership of all clubs using the grounds must consist exclusively of members of the University.
2. No damage must be done to fences, trees, grass, etc.
3. All clubs desiring to use the ground in the time of the statutory college session, *i.e.*, from September 1st to May 1st, must register their officers, objects, rules and time desired, in the Principal's office, on or before September 20th in each year, when rights and privileges will be assigned to them.
4. Clubs desiring to use any portion of the grounds in the summer vacation, that is, from May 1st to September 15th, shall register as above on or before April 1st.
5. No clubs not so registered can be recognized, nor any right of students not organized in regular clubs.
6. No club has any right to invite strangers, except by special permission of the Board of Governors.
7. The University Athletic Association may use the grounds for the training of its members from September 1st to date of the College sports, at such times as may be necessary. Tickets shall be furnished to students so in training.
8. All the above privileges are subject to be revoked at any time by resolution of the Governors.

LL.D. 13 —Except as provided in Section 17 the Degree of Doctor of Laws shall be given only as an honorary degree.

(Old) 14.—Students who shall have completed any Special Course of Study, duly established and maintained in con-

nection with any Faculty or Faculties, and shall have passed the prescribed examinations during such Course, and also the special examinations for Graduation, and shall have performed such exercises as may be prescribed to that end,—the whole to the satisfaction of such Faculty or Faculties, and also of any other Examiners whom the Corporation may associate with such Faculty or Faculties, shall be entitled to the Degree of Graduate in such Special Course.

(New) 15.—The Degree of Graduate in Civil Engineering or the Degree of Bachelor of Applied Science heretofore granted by this University may on application be exchanged by the Corporation for that of Bachelor of Science, and every Graduate holding that Degree so given in exchange shall rank as such Bachelor of Science from the date of the Degree so exchanged by him.

(New) 16.—The Degree of Master of Applied Science or the Degree of Master of Engineering heretofore granted by this University may on application be exchanged by the Corporation for that of Master of Science, and every Graduate holding that Degree so given in exchange shall rank as such Master of Science from the date of the Degree so exchanged by him.

(New) 17.—Any person who shall have matriculated and attended lectures in any Faculty before the 31st day of January, 1899, shall, in accordance with and subject to the Statutes and the Regulations of the Corporation in force on that date, be entitled to receive any Degree which might have been granted to him in pursuance of such Statutes and Regulations.

(Old) 18.—Upon the organization of any other Faculty or Faculties, there shall be granted therein such Degrees as by Statute in that behalf shall hereafter be ordained.

(Old) 19.—Graduates of other Universities, desirous of admission to the like Degree in this University, may be so admitted by the Corporation; due enquiry being first made as to their moral character and sound learning, and opportunity given to the several Faculties to make such representation in the premises as they may see fit. Provided always, that, except by unanimous consent, such admission shall not be put to vote until after three months' notice, and shall not be ordered, if as many as five Members of the Corporation shall vote against it.

(Old) 20.—Honorary Degrees may be granted by the Corporation to any persons who may be considered worthy of such distinction; due enquiry being first made, and opportunity given to the several Faculties to make such representation in the premises as they may see fit. Provided always, that, except by unanimous consent, the grant of such Degree shall not be put to vote until after three months' notice, and shall not be ordered, if as many as five Members of the Corporation shall vote against it.

(Old) 21.—The Fees on all Degrees shall be such as from time to time shall be fixed by the Regulations of the Corporation. Such Fees shall always be deposited with the proper officer, before a Degree is conferred; and no Diploma shall be given, until the Degree shall have been conferred.

(Old) 22.—Degrees in Course may always be refused, if the conduct or character of the Candidate be open to objection.
