

Editor,
Dictionary of the Bible,
Kinneff, Bervie, N.B.

17. 7. 96

My dear Sir

I am glad to
receive your letter,
and to hear that
it is in your power
to undertake the
article on Man.

I have thought
over what you say
as to length: and I
think that it wd be

most in keeping
with the character
of the Dictionary
if you were to give
a short summary,
with reference to
authorities. A lengthy
article wd be out of
proportion with other
articles, and scarcely
suitable for a Dictionary
that is to be strictly
Biblical.

As to the boundary
line between yourself
and Dr Laidlaw, I
should be greatly obliged
if you wd write to
Dr Laidlaw. If you
had a little com-
munication together
I am sure it wd be
more satisfactory
than if it came
through me.

I think I said that
the rate of remuneration
wd be £1 per hour on pub^l.
Yours most sincerely
J. Hastings
