

British Association for the Advancement of Science,

BURLINGTON HOUSE,

LONDON, W.

19 Aug 1896

Dear Sir William,

We received your
paper & have passed
it on to Section C.

The Recorder, Mr. Clement
Reid, will shortly communicate
with you about it.

We are very glad to hear
that you will be at the
Liverpool meeting. I
am very busy now with
preparations and only for

Suffolk City / 96

~~The~~ meeting this year, but
can do. highly engaged about
the Grants meeting with Dr.
MacCallum who will remain
in England until the
conclusion of the Liverpool
meeting.

Yours very truly

G. Pittendrigh
